Kitzbühel 2012

Kitzbühel is a lively location to learn German in, with plenty of action for the energetically minded language student, throughout the year. It appeals to CESA Language students who wish to combine their German language studies with skiing or hiking and enjoying the wonderful mountain scenery. German language students can follow any length of language programme from one week plus, which makes it a perfect short get away programme, for those with work ties.

The German language school is set in a leafy suburb of the town, a 15-minute walk from the centre. It is a small school with a personal atmosphere and an ideal location to study German. There are just 5 classrooms and class sizes are always small – so there is plenty of opportunity for everyone to practise their language skills! Based in a convenient location, with plenty of accommodation for students, supermarkets, large sports equipment and clothing stores, pubs restaurant and a bank within 5 minutes walking distance of the German Language school.

Kitzbühel is somewhere to relax and enjoy; the air is clean and fresh and the people are hospitable and charming. The skiing and snow boarding opportunities are ideal for the whole skiing season (with glacier skiing when the snow doesn't want to play) and hiking in the summer is idyllic!

Kitzbüchel 2012

Jenny : Ski Instructor's Course

"CESA were great and all the information provided was very helpful. Passing the exam and wearing the ski instructor's uniform for the first time are probably my most memorable moments. Also the achievement of getting through your first lessons as an instructor."

Joanna : German & Ski Course

"Having to pack up on the Saturday and fly home to the UK was hard – the slopes were still calling as I headed back to Munich. If I get the chance to go next season I certainly will. Frankly if you want to stretch your German skills beyond the typical, "Wiener Schnitzel und ein Bier bitte" then I'd recommend you invest in a week in Kitzbühel. It was fun, I loved the people and the German lessons really worked for me!"

CESA Plus Points:

Kitzbühel:

The Hahnenkamm & Kitzbüheler Horn mountains dominate the Tyrolean chalets of the town ~ explore gentle nursery ski slopes or experts can book a guide for some of the most difficult off-piste powder ~ most skiers visit the Streif run, on the Hahnenkamm, scene of famous races each January & attracting huge crowds ~ for winter fun try the indoor ice-rink & Aquarena or tobogganing, Nordic walking, sleigh rides & snowmobiling ~ in warmer months try mountain biking or hiking; with over 180 km of marked footpaths (and lifts to take you up the mountains), fresh air, great scenery and plenty of peace and quiet ~ off the slopes hit the shops (fashion, sport & local crafts) over 40 bars, 50 restaurants, a casino & several nightclubs ~ not quite a 24-hour resort, but close to it! The Tirol has something for everyone.

Kitzbühel College:

A small, friendly school set in the most fantastic location ~ students love to combine language study with outdoor pursuits ~ small group classes, ideal for adults & students year round and very popular in the winter months ~ fabulous success rate with the Ski Instructor's programme each year ~ offering excellent service.
