Spanish for Teenagers : Salamanca

2012

Open to : 13-16 yr old students

Is this course for you ?

Yes. If you're looking for fun & total immersion in Spanish.

This dedicated teenager course attracts students of many nationalities. It's so popular that the college now offers a version of the course aimed exclusively at older students (16-19 year), to meet past student demand.

Course outline :

- 20 Spanish lessons per week (morning timetable)
- Course materials included
- Full board accommodation in Spanish host family
- Arrival & departure airport transfers / Madrid airport
- Cultural activities & sports programme (one activity per day)
- A full-day excursion each Saturday

Location Plus Points :

- Salamanca is an ideal location as the Spanish spoken is pure "Castellano".
- The school is located in the largely pedestrianised city centre, just a few minutes from Plaza Major.
- Salamanca is a popular summertime location with young language learners.
- The accommodation offered is in close proximity to the college.

Course Plus Points :

- All teachers are fully qualified and experienced in the teaching of Spanish as a foreign language.
- Only Spanish will be spoken in class.
- One week course enrolment possible.
- Full adult supervision (exception: the walk from the accommodation to college & back).

Classes are held daily and homework is always assigned. The teachers are demanding and only Spanish is spoken in the classroom. In three daily lessons students study and practise all aspects of the Spanish language: grammar and composition, vocabulary and conversation. Students who successfully meet the course objectives receive a Diploma at the end of the course.

Accommodation :

Selected host families (June/August)

Hosts live within walking distance of the school, and offer shared room accommodation to either two or four students per household, following the same programme. Generally 10/20 mins walk from the college. Families are carefully selected and each one has been visited. Two students share a room. Some families have children of their own, others do not. The hosts live near the school -10 to 20 minutes on foot and students take part in family life. The three main meals of the day are all included. Students receive a packed lunch with sandwiches and fruit on excursion or pool days. The school's Accommodation Officer ensures all meals are healthy and balanced.

Student residence (July only)

The residence is just a 10-minute walk away from both the school and the Plaza Mayor, and offers double room accommodation, with your fellow students. The owners of the residence live on-site, and are available 24 hrs a day, throughout July (wifi & computer access at the residence).

Student Supervision :

- Parents are asked to complete a parental consent form.
- All excursions & sporting activities are supervised.

Activities :

- Included in course cost.
- One activity per afternoon (Monday to Friday).
- One full day activity on Saturday.
- Free day, spent with hosts on Sunday.

An interesting programme of fun activities and a variety of sports is offered. One activity, each afternoon Monday to Friday (for example: games, swimming pool trip (*very popular*), Spanish film evening, sports, guided tour of Salamanca, cycling, river boat trip, evening disco). On Saturday there is a full day excursion (Segovia, Avila or La Alberca etc). On Sunday the students spend the day with their host family.

Transfers :

- Airport transfers from/to Madrid airport are included in the programme.

Flights should arrive on the Sunday before the course starts before **16.00 hours** to allow time for the transfer to Salamanca. Otherwise an individual transfer will be arranged for late arriving students.

This costs **EUR 150.00** one way.

The student is taken by school staff from Madrid airport to Madrid bus station, bought a ticket, placed on a direct coach to Salamanca and then met on arrival in Salamanca by a second member of staff who will then escort them to their accommodation.

For departures on the Saturday after the programme finishes flights should not leave Madrid earlier than **12 noon**.

If an earlier transfer is required an individual transfer will be arranged and will cost **EUR 150.00**.

Student Report (Summer 2011)

Eliza Cornwell / 3 weeks Spanish teenager course in Salamanca

"Before I had arrived, I hoped that during my 3 weeks in Salamanca I would learn a lot more and improve my Spanish. My experience was amazing and the course definitely matched up to my expectations. I learned a lot of Spanish as well as making many friends from all over the world. The lessons at the Spanish language school in Salamanca were in general very good. I loved how the classes were in the afternoon, allowing us to do activities in the morning. The teachers were very good and I got to know them well. To improve the lessons in the future we could work less out of the textbook as this got a little bit boring sometimes.

The school was in a perfect location, and I felt very comfortable at the school. The best and unexpected aspect of my course was the city itself. I loved it. The worst aspect was the rules and curfews which sometimes seemed unnecessarily strict.

I loved it. Everything ran smoothly and seemed extremely organised. The excursions were on the really good and I learned a lot. I think that the balance between free time and lessons were perfect. Salamanca was perfect, I was able to talk a lot in Spanish and always felt safe in the day and at night.

My host family were welcoming and extremely chatty. Their apartment was 5 minutes from the school which was great walking distance.

I would definitely recommend this CESA course to other students. I would definitely go again as well as recommend it to others. I loved how many friends I made and how much Spanish I learned."
